PORT OF GONDAR GAZETTE GOVERNMENT (March 21, 1923).

subject to a satisfactory system of management and control, we have at the same time provided that the operation of the Act may be barred in the case of any particular tract or class of tracts. We have also added, in deference to the opinions expressed, a new clause after clause 1 to provide for the working of the Act in the Presidency towns and Muzas, which would otherwise have been left outside the Act.

3. *Clause A.* We have considered a number of suggestions that the word "interest" in this clause should be deleted, but as the expression is not defined in section 32 of the Code of Civil Procedure, 1882, to which this Bill is merely ancillary, we have decided not to attempt a definition.

We consider that an claim for arrears should be allowed to relate back for more than three years from the date of the presentation of the petition and have provided accordingly.

4. *Clause A.* After considering the results of which have been laid before us on the petition to sub-clause (1) of clause 4 of the Bill, we think that, if the Court is completely deprived of any power to grant orders as a petition is a case where the tract, alleged by the petitioner to be disposed, the Bill will be kept in force in accordance with the principal object. We have accordingly revised the clause so as to allow the Court to decide with a question of the trustee or other person making it known as respects to whom the property, which the Bill is amended gives him, of getting the matter determined by a regular sale.

The document has included a certain number of other changes in clause 4 (now clause 5) of the Bill, most of which, however, are merely consequential on the single alteration of substance which we have made.

5. The remaining alterations which we suggest in the Bill are either in the nature of drafting amendments or otherwise but of sufficient importance to merit special mention in this Report.

The following Report of the Select Committee on the Bill to amend the operation of, and otherwise to amend, the Import and Export of Goods Act, 1916, was presented to the Colonial Legislative Council on the 17th March 1920:—

WE, the undersigned, Members of the Select Committee to which the Bill to amend the operation of, and otherwise to amend, the Import and Export of Goods Act, 1916, was referred, have considered the Bill and have now the honour to submit this our Report, with the Bill so amended by us enacted thereto.

1. It was a special instruction to us to enquire whether the provisions of section 2 of the said Act should be amended with the object of limiting the scope, and, if so, to report the amendments in the Act which we might consider necessary or desirable to give effect to that purpose.

2. We have considered those special instructions and have decided to recommend the continuance of the Act until the 31st March 1921. In view of the short time which we recommend, we do not consider it necessary to limit the scope of the Act in any other way.

3. We understood that, so far as Government was known at present, it will not be necessary to apply the provisions of the Act to any commodities other than foodstuffs (including fodder), gold, silver (except as gold), and rubber latex. Under these circumstances, we consider that the Act may safely be kept in operation until the 31st March 1921. We propose, however, that a very quite possibly be necessary to consider a further extension in the case of foodstuffs at any time.

4. The Hon'ble Mr. Forster is of opinion that there should be no restriction on the import of gold, but recognizes that this question will be decided in connection with another Bill which, he understands, will shortly be brought before the Council.

5. We have made a few further amendments of a purely drafting nature in the Bill which we do not consider it necessary to specify in this Report.

6. We think that the Bill has not been so altered as to require re-consideration, and we recommend that it be passed as now amended.

[Words printed in Italics indicate the amendments suggested by the Select Committee.]

*A Bill to amend the Import and Export of Goods Act, 1915.*

Enacted: Whereas it is expedient to amend the Import and Export of Goods Act, 1915; It is hereby enacted as follows:—

Section 2. In sub-section (3) of section 1 of the Import and Export of Goods Act, 1915, for the words "during the continuance of the present war, and for a period of six months thereafter" the words "up to the 31st day of March, 1921" shall be substituted.

A. P. MURPHY,  
Secretary to the Government of India.

The following Bill was introduced in the Indian Legislative Council on the 18th March 1930 :—

No. 26 of 1930.

*A Bill further to amend the Lepers Act, 1926.*

WHEREAS it is expedient further to amend the Lepers Act, 1926: It is hereby enacted as follows:—

- Enactment of section 1, Act III of 1926. 1. The Act may be called the Lepers (Amendment) Act, 1930.
- Enactment of section 2, Act III of 1926. 2. In sub-section (4) of section 1 of the Lepers Act, 1926 (hereinafter referred to as the said Act) the words "and may in like manner amend or give effect to any such notification" shall be omitted.
- Enactment of section 3, Act III of 1926. 3. In clause (X) of section 2 of the said Act, the words "in whom the process of absorption has commenced" shall be omitted.
- Enactment of section 4, Act III of 1926. 4. For section 3 of the said Act, the following section shall be substituted, namely:—  
"The Local Government may, by notification in the official Gazette, appoint any place to be a leper section if it is satisfied that adequate arrangements have been made or will be made for the accommodation and medical treatment of lepers therein, and may, by a like notification, specify the local areas from which lepers may be sent to such section."
- Enactment of section 5, Act III of 1926. 5. In section 3 of the said Act—  
(a) in sub-section (1) after the words "any police officer" the words "or any other person specially empowered by the Local Government by order in writing in this behalf" shall be inserted; and  
(b) in sub-section (2) after the words "Such police officer" the words "or other person" shall be inserted.
- Enactment of section 12, Act III of 1926. 6. In section 12 of the said Act, for the words "by any police officer without a warrant," the words "without a warrant by any police officer or by any other person specially empowered by the Local Government by order in writing in this behalf" shall be substituted.

#### STATEMENT OF OBJECTS AND REASONS.

The attention of the Government of India has been drawn to the necessity of taking more adequate measures to check the spread of leprosy in India. In particular it has been pointed out that, according to the latest medical opinion, leprosy is contagious in all its forms and not merely on the advanced stage, and that the operation of the Lepers Act is greatly restricted by the present definition of a leper in section 3 (X) of the Act. It is, therefore, proposed to widen the definition so as to include persons suffering from leprosy in any stage of the disease. Minor amendments of the Act are also proposed in order to provide for the substitution of isolation with medical treatment and to facilitate the administration of the Act by authorizing any person empowered by the Local Government to arrest the persons now named only as police officers.

A. F. MUHAMMAD,  
Secretary to the Government of India.

The following Bill was introduced in the Indian Legislative Council on the 19th March 1923:—

No. 17 of 1923.

*A Bill to amend the Gold (Import) Act, 1917.*

Whereas it is expedient to amend the Gold (Import) Act, 1917; It is hereby enacted as follows:—

Enactments.

Substitution of a new subsection in subsection (2) of section 1, Act XXII of 1917.

1. This Act may be called the Gold (Import) Amendment Act, 1923.

2. For subsection (2) of section 1 of the Gold (Import) Act, 1917 (hereinafter referred to as the said Act), the following shall be substituted, namely:—

"(2) It shall remain in force until the Governor-General in Council, by resolution in the Council of India, otherwise directs."

Amendment of section 1, Act XXII of 1917.

3. In section 1 of the said Act the word "air" shall be inserted after the word "and."

Repeal of section 4 of Act XXII of 1917.

4. Section 4 of the said Act is hereby repealed.

#### STATEMENT OF OBJECTS AND REASONS.

By the Gold (Import) Act, 1917 (XXII of 1917), the Government of India took power to acquire gold coins or bullion imported into India for the period of the war and six months thereafter. In view of the announcements made by the Secretary of State regarding the recommendations of the Indian Currency and Exchange Committee, which was published in the *Gazette of India Extraordinary*, of the 2nd February 1920, it is necessary to continue the present control on the import of gold until such time as the internal price of gold has been related to the market price of the rupee in terms of gold. It is not possible to fix any one limit while which this is likely to occur, but in order that control may be removed when the opportunity arises, it is proposed to take power in this Bill to terminate control on such date as the Governor-General in Council may notify.

Dated the 25th February 1923.

"Explanation.—The offences mentioned in this section include abetments of such offences.

"(2) If a panchayat court finds an accused person guilty of any of the above offences, it may impose on him a fine not exceeding Rs. 45:

Provided that in case of conviction of an offence under clauses (b) and (c) of sub-section (1) the fine may extend to twice the value of the property stolen or the amount of the damage caused.

"(3) The panchayat court may allow a reasonable time for the payment of the fine, or may order that the fine shall be paid by instalments; but if the fine is not paid as directed, the court shall recover it in the same manner as if it were due under a decree under this Act. "(6) If at any stage of the proceedings it appears to the court that the case is one which ought to be tried by a magistrate or if at the close of the trial the court is of opinion that the accused is guilty and that he ought to receive a punishment different in kind from, or more severe than, that which it is empowered to inflict, it shall submit the case to the Subdivisional Magistrate, who may transfer the case to his own court or to the court of a magistrate subordinate to him.

"(7) The District or Subdivisional Magistrate may, whenever he considers it necessary in the interests of justice, transfer any case pending before a panchayat court to his own court or to the court of any magistrate subordinate to himself or to any other panchayat court within his jurisdiction.

"(8) No appeal shall lie against any sentence or order passed by a panchayat court under this section, but the District Magistrate or Subdivisional Magistrate may set aside any conviction on the ground of corruption, gross partiality or misconduct on the part of the court, or on the ground that there has been a gross miscarriage of justice.
